

MORE TITLES FOR 2 FAMILIES

A STATE CHAMPIONSHIP was the culmination of another perfect year for the West Waterloo girls tennis team this past weekend.

Julie Gray and Debbie Nolting, the Wahawh No. 1 and No. 2 players, teamed to win the state high school doubles crown on a rainy Saturday at the Byrnes Park courts.

The West duo defeated Diana Turnure and Marlene Pillet of Atlantic 6-2, 6-2 in the championship match.

It seemed only fitting to bring home a state title, since Coach Bill Blake's team has performed so well in dual meet competition. The Wahawh girls were 15-0 in dual meets this year, and now own a string of 38 straight dual wins, stretching over a three-year span. Blake has coached the girls for four years.

"This was a hard-working bunch," said Blake. "Not only the top two girls were good players, we had a lot of strength all through the No. 6 player."

"One of the essential things in winning all those dual meets was Sandy Genocchio at No. 3 singles," Blake added. "She pulled us through a number of times."

The other three members of the team are Julie Miehle at No. 4, Janice Thomson at No. 5 and Becky Peet at No. 6. All are seniors except Gray and Thomson. Gray is a junior and Thomson a sophomore.

Both Gray and Nolting come from a tennis family. Julie's brother, Tom, is now a freshman on the Michigan State University tennis squad after winning state boys singles titles his junior and senior years for Coach Bill Lane at West and teaming with Steve Greenfield in the runnerup doubles spot as a soph.

A state title for the Misses Gray and Nolting also was another step in the career of each, since Miss Gray was state singles runnerup last year and Miss Nolting was state runner-up in doubles.

IT WAS THE SECOND state title for Miss Nolting, who teamed with her sister Judy to cop the doubles championship two years ago when she was a soph.

Rain and wind hampered play Saturday in the state meet, with the singles finals postponed until Monday at North Des Moines, but according to Blake, his doubles pair wasn't bothered by the weather.

"It was just another case of their rising to the occasion again," said Blake. "I would say they (Gray and Nolting) played almost flawless tennis Saturday."

"They're really competitors, and their determination and willingness to put out all they had caught on. The rest of the girls followed their attitude."

Tourney at Maple

IT'S STILL NOT TOO LATE to enter the 600-700 Club Trio Bowling Tournament Saturday and Sunday at Maple Lanes.

Club members can bowl either Saturday at 4:30 or seven, or Sunday at 2:30, 4 or 5:30 p.m. by reserving a spot with Betty Cerwinski at 233-0734 or 234-1655, or with Sandy Donaldson at 234-1363. Two men team with one woman in the meet.

In previous tourneys the entry had to be paid 48 hours before the meet, but Betty reports this is not necessary this weekend. Even though the women's first entry is not paid ahead of time, she can still bowl.

Pitchers Now Believing Johnson

By The Associated Press

Alex Johnson, given another chance to prove himself, still doesn't feel comfortable at the plate.

ROUNDUP

plate. But he is making believers of National League pitchers, who also are feeling uneasy when he is hitting.

"I don't feel natural at the plate for the long ball," moaned the 25-year-old Cincinnati outfielder. "I'm just blooming them."

Despite his troubles, Johnson managed a run-scoring single and later a game-winning double in the ninth inning Monday night, giving the Reds a 3-2

uphill victory over the Houston Astros.

Johnson's three hits raised his batting average to .333 and gave him 15 runs batted in as a bonafide regular for the first time in five major league tries.

Ed Charles, a 35-year-old veteran given another chance, clouted his second home run of the game in the ninth inning, lifting the New York Mets over Pittsburgh 2-1.

Larry Jaster continued what he does best—beat Los Angeles—by hurling St. Louis past the Dodgers 2-1 with a two-hitter. In the only other NL game, Felipe Alou singled in a ninth inning run, boosting Atlanta to a 6-5 triumph over San Francisco and into sole possession of the lead.

After Mack Jones walked a pinch hitter and moved to second on a sacrifice, Pete Rose singled in the tying run against the Los Angeles Dodgers.

Johnson, traded to St. Louis in the Bill White deal after failing to win a starting job in two seasons at Philadelphia, flopped in two seasons with the Cardinals before the Reds got him for Johnny Edwards last winter. He quickly won the left field position.

He singled in a run in the seventh inning against the Astros, but Jim Wynn's two-run triple in the third still left Cincinnati behind 2-1 entering the ninth.
